# RingGo
for Business

Let´s help you get started

1 **Download the RingGo app**, you can find us in the App Store or Google Play Store. Once you´ve downloaded, **open the app.**

2 If you´ve never used RingGo before, enter a few details to **register**. If you already have a RingGo account, simply **log in**.

3 Select the zone **you want to park in**, and the **number plate** registered with your administrator. Choose **how long you want to park** for, select the "**Corporate**" tab and tap "**Pay**".

Download on the App Store

GET IT ON Google Play

Your company has signed up with RingGo Corporate to provide a new and easy way for you to pay for your business parking without needing to submit an expense claim. Just find and park in a space. Select how long you want to park. And select "Corporate" at the checkout.

Built to make your life easier!

We've made parking for business quick and painless.

- Using RingGo Corporate you can pay for a parking session in seconds and it's automatically charged to your company account. No more having to pay and then claiming it back, or worrying about having enough money to pay for your parking.

- Say goodbye to receipts and expense claims, no more keeping receipts – or worse, losing them.

Reduce the risk of parking fines

The costs of penalty charge notices (PCNs) can quickly add up, and they're easy to avoid when you can pay to park in seconds.

- It's simple to set up a parking session and pay using the app.

- When time's nearly up, you will get an SMS reminder.

- Stuck in a job or in a meeting? No problem, you can extend your session from wherever you are and avoid a PCN.

Boost productivity

RingGo Corporate makes parking simple and easy - leaving you free to focus on your job.

- Park smart: find a space and get directions to it in the app.

- Find an electric vehicle charging point and charge with zero fuss.

- Stuck on a job or in a meeting? Use the app to extend your parking in seconds.

On hand when you need us

Having a problem? Don't worry our team is here to help you and you can even use Webchat directly from the app.

Ready? Let's go!

You may already have RingGo installed on your phone. If that's the case, continue to use it as normal and if you are parking for company business, once your Account Team have added your details and you have received the "Welcome" email – simply select "Corporate" as the payment method.
If you don't have it installed you can download it from Google Play or the App Store, register your details and you will be granted access to the company account to pay for your business parking.
